## Memorandum

To: Association of Apartment Owners (AOAO)

From: Real Estate Commission (Commission)

Subject: Change of Information on the Condominium Association Registration Application

It is important that the information on your Condominium Association Biennial Registration Application is correct. In a number of instances, apartment owners, boards of directors, condominium managing agents, prospective purchasers, bond insurance underwriters, title companies, the mortgage industry, the Commission, tenants, legislators and the general public have used the information. The Commission mails information and educational materials to registered Association of Apartment Owners (AOAO). Any additional mailings due to incorrect addresses are charged to the Condominium Education Fund.

This office has received information that the information you previously submitted on the 2003-2005 Condominium Association Biennial Registration Application has changed.

The law requires that the AOAO report immediately in writing to the Commission any changes to the information contained on the registration or re-registration application, evidence of fidelity bond, or any other documents requested by the Commission. Failure to do so may result in termination of registration and subject the AOAO to initial registration again.

Enclosed is a Condominium Association Information Update Form to report changes. Please indicate the change(s) on the enclosed form. Feel free to copy the form and use it for reporting any future changes.

Your continuing cooperation and assistance in these matters are appreciated.
